Transitioning to Kindergarten

All of our teachers in our Pre-K 4 Program attended this workshop held @ Carver Elementary in Newport News hosted by the Tidewater Assoc. of Early Childhood Education. We continue to assess our curriculum and planning to ensure that our teaching exceeds the established standards and that our children are more than prepared for the next level of learning.

As you decide where your child will continue their education, please take time to visit schools of interest. Your child's education is truly an investment in their future.

"We couldn't have done it without YOU!"

We just want to say thank you for the important role that you have played in making our year a success! We will be hosting a *Parent/Volunteer Appreciation Coffee* on May 25th. After you have taken your child to class, drop by and have breakfast on us! For those of you on the run, grab something to go!
